Summer Units 2 & 3 Project and associated merger benefits and cost recovery plans**

Dear Ms. Boyd:

The United States Department of Defense and all other Federal Executive Agencies (DoD-FEA) supports the proposed schedule submitted by the Office of Regulatory Staff to the Public Service Commission of South Carolina on May 31, 2018. DoD-FEA expresses many of the same concerns raised by the Staff in its letter, particularly the ability to adequately assess the Joint Applicants' Direct Testimony and serve/review responses to follow-up discovery request prior to DoD-FEA's testimony deadline.

Very truly yours,
